Through our journey so far we have proved our commitment to superior quality on exact timelines. Our main housing project in Mussafa, accommodates 9000 residents, while second facility in same location houses 3000 tenants. We also have one facility in Al Ain, which is accommodating 6000 people.

The basis of Al Eshoush Village was set to fulfil increasing housing demand in Abu Dhabi and other emirates. The goal was to deliver a safe and comfortable living environment. 2 Villages are located in Al Mafraq, Abu Dhabi. Another Al Eshoush Village is near Al Ain, operated in full capacity and is one more feather in our crown.

Al Eshoush Village is one of The Higher Corporation for Specialized Economic Zones approved workers city for accommodation. It is one of the leading villages; containing 19 residential blocks, with separate catering services block and a medical center.

The idea behind this project is to address abundant and uninterrupted demands of best accommodations. We completely managed and serviced purpose-built 'Al Eshoush Village' for accommodating primarily construction workers for the booming construction industry in Abu Dhabi, UAE.

Al Eshoush Real Estate's aim is to provide high standard Facilities Management at Al Eshoush Village where health, safety and hygiene are the highest priorities for this WRC. Al Eshoush Real Estate is committed to the well-being of the site's employees and residents to ensure that they are well rested and eating healthily.

Al Eshoush Real Estate investment has objectives beyond bounds and further developed its operations in to Workers Residential Cities, Commercial Buildings, Villas & Facility Management.

Al Eshoush Real Estate Investment is a dynamic real estate development organization which established and maintained a distinguished name in every field of its endeavors; which is illustrated through the highest quality of product, service and business.

Not many companies share the same history and vision as Al Eshoush Village. We created milestone since our inception through quality, commitment and unending hard work by right people at right time. We have the best team of professionals by world standards and have proven our authenticity in every project we did.

Chairman's Message

Extending my sincere gratitude to our employees and stakeholders for their unwavering love and support for us, we pledge to take our company to such level that you will be proud to be associated with it.

In pursuing the highest performance and being a service oriented organization, we continually modernize and scrutinize our systems. Our style of working is open and empathetic. We are proud to claim that our biggest assets are our people and their utmost sincerity to the organization and commitment to professionalism.

We are managed by a team of highly qualified and experienced professionals who strive to achieve the highest standards. An important part of our strategy is the emphasis we place on good corporate governance.

Over the years, Al Eshoush has made robust and healthy growth based on solid performance portfolio and transparent working structure. It is now preparing for another leap forward through ceaseless innovation and strong fundamental competitiveness based on technological and human resource development.

We are very aware that we have to be even more vigilant about looking after the interests of our original beneficiaries, the laborers, as we continue to leverage our relationship to access resources and opportunities.

As Chairman, I feel it is my responsibility to deliver on our goals of creating value and generating superior facilities. With the support of our board and management team, I am confident that we have the best tools and people in place to do exactly that.

Hoping a fulfilling and constant relationship with you in future.

Warm Regards
Chairman
